MESSAGE FROM THE PRINCIPAL

It is with immense pride and a profound sense of purpose that I welcome you to this historic occasion — the 2nd Graduation Ceremony of the MAA Institute of Professional Studies. To our graduands, your families, our distinguished guests, and every member of this great institution, I extend my warmest congratulations and deepest gratitude for making this day possible.

Education, at its truest, is never merely the transfer of knowledge from one mind to another. It is a living conversation — one that stretches across generations, across communities, and across cultures. Culture and education have always been inseparable companions on this journey. Our values, our traditions, our ways of seeing and interpreting the world — these are not obstacles to learning.

At MAA Institute of Professional Studies, we have been deliberate about honouring this truth. We believe that a skilled graduate who is also culturally grounded is far more powerful than one who holds technical knowledge alone.

To the Class of 2026, I leave you with this thought: education gave you a skill, but your culture gives you a soul. Go out and use both. Be bold in your ambitions, but remain rooted in your values. Serve your communities with the same energy with which you pursued your studies. Let the name of MAA Institute of Professional Studies be spoken with pride wherever your paths take you.

The world you are entering needs exactly what you carry. Go and give it generously. Congratulations, and God bless you all.

JEREMIAH SOLONKA

PRINCIPAL

MAA INSTITUTE OF PROFESSIONAL STUDIES

MESSAGE FROM THE MANAGEMENT

It is my pride and joy that I extend my warmest congratulations to each and every one of you on this remarkable milestone. Watching you grow — not just academically, but as thoughtful, capable, and driven individuals — has been one of the greatest privileges of this role. You have demonstrated time and again that you are capable of achieving great things, and today is proof of exactly that.

I have had the honour of witnessing your journey up close — the early mornings, the late nights, the moments of doubt, and the breakthroughs that followed. Each of you brought something unique to this community, and together you have built something truly special. The friendships, lessons, and memories forged here will remain with you long after today's celebrations have passed.

As you close this chapter and open the next, know that the lessons you have learned here extend far beyond the classroom. You leave with more than a qualification — you leave with purpose, with confidence, and with a community that will always cheer you on. Go forth and make your mark. We are incredibly proud of each one of you.

JAMES TUUKUO

MANAGER

MAA INSTITUTE OF PROFESSIONAL STUDIES

MESSAGE FROM THE DEAN

On behalf of our entire academic community, it is my distinct honour to welcome you to this momentous occasion — your graduation. This day is a celebration of your dedication, resilience, and the countless hours of hard work you have invested in shaping your future. You have risen to every challenge set before you, and today, we celebrate not only your achievements but the exceptional individuals you have become.

Throughout your time with us, you have been shaped by experiences that go far beyond textbooks and examinations. You have collaborated, questioned, discovered, and grown in ways that will serve you for a lifetime. The academic journey is never a solitary one, and I hope you carry with you a deep appreciation for the educators, mentors, and peers who walked alongside you every step of the way.

As you step forward into the world beyond these halls, carry with you the knowledge, values, and spirit of inquiry that have defined your journey here. The road ahead will bring new challenges, but I have every confidence that you are more than prepared to meet them with excellence and integrity. Congratulations, Class of 2026 — the world awaits you, and we could not be prouder.
